Sales Director

The Company has notified me that it has been three months since you have placed a \$225 wholesale order and you have become inactive.

You are still a part of our Unit, but inactive means that it will take a \$225 wholesale order to reactivate your 50% Earned Discount Privilege. Just to be clear, you have no obligation to place an order this month, I just wanted to update you on your status.

Becoming active is simple! Just place a \$225 wholesale order by the last working day of this month. This will reinstate you to active status and renew your 50% discount for this month and the two following months.
