

I'm truly sorry that you have chosen not to remain active with your Mary Kay business. You can get reinstated with a minimum **\$225 WHOLESALE SECTION ONE ORDER** without having to buy a new Starter Kit, if you do so before that last day of this month.

If you have no interest in continuing your Mary Kay business, I would like to encourage you to direct your customers to an active Mary Kay Consultant, preferably one with inventory.

A \$225 wholesale order could be as simple as purchasing products for you and your family or calling your best customers. You're probably out of some of your own Mary Kay favorites anyway.

Just let me know if you would like to reinstate or if you would like to re-start your Mary Kay business at some other time in the future. As always, I'm just a phone call or email away.
